

LED Torch

FZL-5100 Night Light Torch

- **Power consumption:** 3W (Torch) & 0.5W (Night light)
- **Input power:** 3 x AAA batteries (up to 10hrs estimated run time when using fresh batteries)
- **LED:** LG (Torch) & Lextar SMD (Night light)
- **Operation temperature (for LED):** 0 ~ +50 °C
- **CCT:** 6500K (Torch) and 3000K (Night Light)
- **Net weight:** 0.132 (±10%) kgs
- **Long lifetime:** up to 30000 hours (LED)
- **Dimension:** 40 (Dia) X 140 (L) mm
- **IP64 Waterproof**
- **Function:** All lights up 100% On/Off (torch & night light), torch 100%, torch 50%, torch flash, night light on/off

Aqua Light

FZL-6100

- **Power consumption:** 5W
- **LED light options:**
 1. Nature (Green) – for all ornamental fish
 2. Marine Day (Brown) – for marine fish, marine invertebrates, and African Cichlids.
 3. Tropic (Yellow) – for plants, shrimp, and tropical fish
- **Input power:** 12V AC/DC 100-240V, 50/60Hz
- **Net weight:** 0.173 (+-10%) kgs
- **Long lifetime:** up to 35000 hours (LED)
- **CE, CNS, EMI, EMC approved**
